Photo Club of Sfax

www.facebook.com/groups/clubphotodesfax/

created in 1981. by Mohamed Njah (language teacher) has worked in the early audiovisual (photography, video, audio-visual presentations , audio stories) but then the club has specialized in photography, film and first digital . Today , the club is a group of enthusiasts photographers. The club meets every Saturday afternoon for theoretical and practical sessions on the art and photographic technique. Consisting of high school students , students , officials and photographers in the art, the club aims to popularize photographic culture, then organize photo output and finally open to wide public by the establishment of annual events (exhibitions, screenings , round tables ...) with the collaboration of all photo clubs in the world with the same objectives and national and international associations.

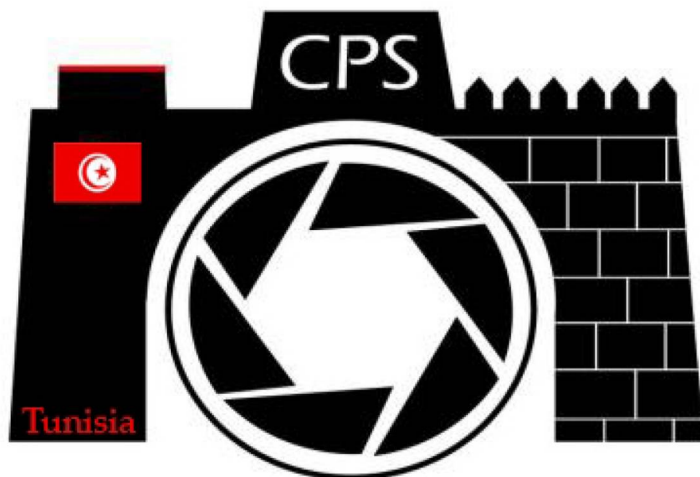

The club organizes two exhibitions per year:

- A group exhibition with free theme

- An annual group exhibition with the theme: wood (given by a friend of the club and commercial wood:

He takes care of all the expenses and offers 3 prizes to encourage young amateur photographers.

The club is present in all cultural events in Sfax. Members participate in several exhibitions in Tunisia and around the world.
